

Think of someone who doesn't know Jesus very well yet ...

Draw them meeting Jesus. Pray for that to happen

For parents to pray with your child

(To the tune of twinkle twinkle little star)

**Jesus, Jesus, can I be in your loving family?
When I live the loving way,
loving others every day,
Jesus, Jesus, I can be in your loving family!**

You are all my family when you live God's way

Where are you?
Draw yourself listening to Jesus
